Inclusion and diversity

Dimboola Memorial Secondary College strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Dimboola Memorial Secondary College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Dimboola Memorial Secondary College acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Dimboola Memorial Secondary College we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Dimboola Memorial Secondary College will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, school formals) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Specific programs at Dimboola Memorial Secondary College that promote inclusion and diversity include:

Restorative Practices

The school is committed to the use of restorative practices with students. Restorative Practices:

- are underpinned by student learning and facilitate an environment of safety, trust and connectedness (Bond et al. 2001, Fuller 1999)
- promote awareness of others, responsibility and empathy (Hopkins 2002)
- involve direct and voluntary participation of those affected by misconduct in its resolution (Braithwaite 2001)
- promote relationship management rather than behaviour management (Cameron & Thorsborne 2001)
- separate the deed from the doer (Marshall et al. 2002)
- are systematic, not situational (Armstrong 2004)
- are concerned with establishing or re-establishing social equality in relationships; that is, relationships in which each person's rights to equal dignity, concern and respect are satisfied (Morrison 2002).

Diversity in the school community

The school aims to address diversity by:

- maintaining a highly skilled, motivated and energetic workforce who are better able to meet the needs of a diverse school community
- attracting highly skilled and diverse staff making the school a preferred employer

- increasing the range of knowledge, skills and experiences available in the workforce
- enhancing the capacity for effective decision-making due to the greater diversity of perspectives and inputs
- creating more effective work teams due to increased participation levels and an increased capacity to solve problems.
- including Respectful Relationships as a key part of the Mentor program within the school

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Dimboola Memorial Secondary College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students who are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Reasonable adjustments for students with disabilities

Dimboola Memorial Secondary College also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact our Wellbeing Co-Ordinators for further information.

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
